

# LEVEL 4 CONSTRUCTION SITE SUPERVISOR

Typical job roles associated with this apprenticeship include Assistant Site Manager, Assistant Supervisor and Construction Site Supervisor. In the case of SMEs, roles are likely to include Site Manager or Site Supervisor. The apprentice will complete the HNC in Construction and the Built Environment as part of this Higher Apprenticeship standard.

- » The typical duration for this apprenticeship is three years but this will depend upon the previous experience of the apprentice and the access they have to opportunities to gain the full range of competence.
- » Successful apprentices will gain a Level 4 HNC qualification in Construction and Built Environment (please see the relevant course page for more information) that meets the knowledge requirements of the apprenticeship standard.
