## 1. Introduction and Purpose

- 1.1 This policy is to ensure a consistent and transparent approach to the distribution of financial support funds to enable our most vulnerable and disadvantaged young learners and adults to participate and benefit from post 16 education and training.
- 1.2 The policy explains the various types of financial assistance that may be available to Further Education and Higher Education learners, the eligibility and the appeals process
- 1.3 The policy is written to comply with the ESFA funding rules and the basic eligibility conditions of the 16-19 Bursary Fund Guidance.
- 1.4 The funds are to be used to provide financial support to help learners overcome specific barriers to participation, so they can remain in education.
- 1.5 The Student Hub team will deal with applications in a fair and equitable manner and aim to promote the availability of support to all learners in a variety of methods including; the website, student portal and student app, prospectus, open events, parents' events, enrolment, induction and in college workshops.

## 2. Scope

- 2.1 This policy sets out the arrangements for distribution of the 16-18 Bursary fund, the Learner Support Fund (19+), Advanced Learner Loan Bursary Fund and the HE Learner Support Fund.
- 2.2 This policy applies to all learners starting new learning aims on or after 31st August 2023.
- 2.3 The appropriate fund to be accessed will be determined by the learner's age on the 31st August 2023 and the course they are studying.
- 2.4 Learners must meet the eligibility for funding requirements as determined by the Education and Skills Funding Agency. The learner must be eligible for funding and the learning must take place in England.
- 2.5 All learners accessing the support funds must provide evidence to assure the auditors that LSEC is using the funds appropriately.

### 3. General Support Procedures

#### The Vulnerable Bursary

##### Eligibility

- 3.1 Those aged 16-18 on 31st August 2024, who meet residency requirements\*\* and are studying a full-time course with London South East Colleges. Recipients need to meet one of the criteria below:
- A young person in care
  - A young person leaving care
  - A young person in receipt of Income Support
  - A young person in receipt of Employment and Support Allowance in their own right, and who is also in receipt of either Disability Living Allowance or Personal Independence Payment (PIP)
  - A young person in receipt of Universal Credit (in place of Income Support)
- 3.2 Learners will be entitled to the Vulnerable Bursary of up to £1200 a year from September 2024 (pro rata where a course last less than 30 weeks). Each application will be assessed individually, and the amount paid will vary depending on the needs of the young person. Meeting the eligibility criteria doesn't not automatically mean the young person will receive any payments from the bursary fund.\*\*\*
- 3.3 Where there is an exceptional need to pay travel costs in excess of this arrangement to enable attendance on their course then this will be considered by the Student Hub Manager.
- 3.4 A condition of support is that learners achieve attendance of 80%, make good progress, have good behaviour and complete their course of study.

\*\*\* **Gov.uk Guidance 2024/25:**  
*Students should be awarded the amount of support they need to participate based on an assessment of the types of costs they have and not automatically awarded £1,200. Institutions must ensure students are eligible for the bursary for defined vulnerable groups in each year they require support.*

*Students should only receive the amount they actually need to participate and institutions must not automatically award students £1,200 if they do not need the full amount.*

#### The Discretionary Bursary

##### Eligibility

- 3.5 Learners that do not qualify for the Vulnerable Bursary may qualify for the Discretionary Bursary, also referred to as the College Bursary.
- 3.6 Those aged 16-18\* on 31st August 2024 or 19-24 and on an Educational Health Care Plan (EHCP), who meet residency requirements\*\*, and are studying a full-time course with London South East Colleges. Recipients need to meet one of the criteria below:

Your parent/s or guardian is in receipt of one of the following:

Where possible the college will purchase eligible items directly, where this is not possible a payment will be made into the learner's own personal bank account via BACS. Learners with difficulties opening a bank account in their own name should speak to a member of the Student Hub team.

3.8 Where there is an exceptional need to pay travel costs more than this arrangement to enable attendance on their course then this will be considered by the Student Hub Manager.

3.9 A condition of payment is that learners achieve attendance of 85%, make good progress, have good behaviour and complete their course of study.

\*Note in both cases to be eligible to receive a bursary the young person must be 16 or over on 1<sup>st</sup> September 2024 and under 19 on 31<sup>st</sup> August in the academic year in which they start their programme of study. Where a young person turns 19 during their programme of study, they can continue to be supported to the end of the academic year in which they turn 19 or to the end of the programme of study, whichever is the sooner.

## Appendix One: Student Finance: Processing Bank Details

This appendix outlines the process, and expectations, that must be followed for all student finance applications to ensure there is robust checks in place to safeguarding learners from financial exploitation.

- 1) All bursary (including HE, Learner Support Funds and Child-Care) must be signed by the student and countersigned by a Student Hub Officer. Bursary payments will not be authorised by Finance if either of the signatures is missing.
- 2) If a learner requests for payments to be made to their parent/carer/support worker:
  - a. The learner must sign the form to show they are authorising the payment to be made to someone else until they are able to open their own bank account.
  - b. The learner should sign this form independently and not under the supervision of the person receiving the funds. If Student Hub believes the learner may be being coerced, they should speak to the learner independently and refer to safeguarding. Where possible, the learner should sign the form in front of a member of the student hub team.
- 3) All changes to bank details must be recorded on the 'bank details notification form' and countersigned by a Student Hub Officer/Manager.
- 4) If a payment has been unsuccessful (bounced back) due to bank details being entered incorrectly then the learner must complete the 'bank details notification form' to ensure the correct details are recorded (must be counter-signed by a Student Hub Officer/manager).
- 5) If a childcare provider changes their banking details they must submit a new change of bank details notification form, signed, and dated, which needs to be countersigned by a member of the Student Hub team.

All forms once completed must be sent to finance for processing by emailing [finance@lsec.ac.uk](mailto:finance@lsec.ac.uk) Student Hub Team to upload all documents, within two working days of assessment, to the storage and scanning facility 'therefore'.
